ZINFANDEL

MONARCH STREET

VINEYARD NOTES

This Zinfandel is a blend created from small lots of Zinfandel grown all over Northern California. This blend characterizes a refined, elegant expression of what California Zinfandel can be. Named after the location of our winery on Monarch Street, this Zin is soft, fruity, fun and savory...it's like California, easy and beautiful.

PRODUCTION

As you drive onto the former Naval Air base in Alameda, the defunct barracks and ramshackle buildings might lead you to believe that you should throw your GPS out the window. Then you turn onto Monarch Street, where our awesome winery is located, and you see the breathtaking views of the San Francisco skyline and it all makes sense. We have 63 different vineyards we work with around California. We then bring all the fruit into our winery, which is housed in a gigantic airplane hangar. This Zin pays homage to our incomparable urban location and all the incredible Zinfandel grown in Northern California.

WINEMAKER COMMENTS

Aromas of milk chocolate, juicy plum, strawberry and dark currant frolic from the glass followed by flavors of vanilla, raspberry, herbal notes and a creamy blackberry liqueur finish.
