ROSSO DI FIORE

MARCHESCHI VINEYARD

VINEYARD NOTES

Marcheschi Vineyard:

This yummy blend is 66% Zinfandel and 34% Sangiovese. The awesome grapes for this blend are grown in Fiore Marcheschi's Alexander Valley vineyard, which is located between two Silver Oak Vineyards. The vineyard was planted in 1950. They are head pruned and planted to St. George rootstock on rolling hills with 8x8 spacing.

PRODUCTION

In 2015 we did something a little different with this blend, which was co-fermenting the two varieties. We picked the fruit September 10th, 2015 and crushed it into macro bins filling each bin with half Sangiovese, and half Zinfandel, and then a we had a few Zin bins by themselves as well. We inoculated the macro bins with BM 4x4 which is a Brunello di Montalcino yeast isolate. Viva Italia! We aged the wine in 20% new Gamba barrels. The Gamba cooperage has the only oak barrels that are French oak, grown in France and then aged and coopered in Italy. Piedmonte to be exact.

WINEMAKER COMMENTS

OMG. Rosso di fu**ing awesome. Even though this blend is 2/3 Zinfandel, it has a truly authentic Italian Sangiovese aroma. The Sangiovese is tenacious and fights its way to be the star of the show...and the Zinfandel seems to be perfectly fine with that.

This wine has a lovely tannin structure and a juicy mouthfeel. Aromas of tart black cherry, red plum, fig, thyme, tomato and leather followed by flavors of minerality, tobacco, strawberry, thyme, black truffle and dried rose petal.
