## WINE COMPANY

### 2016 Aglianico

#### VINEYARD NOTES

Heringer Estates Vineyards and Winery is a family owned and operated vineyard management company and winery located in beautiful Clarksburg, CA. They are a progressive farming family with a performance history of integrity, sustainability and excellence spanning six generations. Their vineyard is approximately 375 acres and is located up in Clarksburg. The Heringers are wonderful partners, and we're thrilled to be able to work with like-minded folks. Great wines require great grapes.

#### Production

We harvested these grapes on October 17th, 2016 which was the very end of the harvest season in 2016. Despite the late harvest date, this wine still has incredible acidity. We crushed them into macro bins and fermented them on their native yeast. They had a beautiful and healthy fermentation showing a lovely ruby color the whole time. Once fermentation finished, we pressed the grapes and put the wine into neutral oak where it rested until bottling.

#### Winemaker Comments

This sexy wine boasts aromas of bright cherry, pipe tobacco, iron, and blueberry followed flavors of pomegranate, black tea and plum. I love acid! Soooo juicy.
