### VINEYARD NOTES

Heringer Vineyard - Heringer Estates Vineyards is a family owned and operated vineyard located in beautiful Clarksburg, CA. They are a progressive farming family with a performance history of integrity, sustainability and excellence spanning six generations. Their vineyard in Clarksburg is approximately 375 acres. The Heringers are wonderful partners, and we're thrilled to be able to work with like-minded folks. Great wines require great grapes.

### PRODUCTION

Pick Date: 10/17/2017

Fermentation: Fermented in macro bins with two punch downs daily

Malolactic: Native

Bottled: 5/2018

### WINEMAKER COMMENTS

I really like Cabernet Franc. Like, really, really. There is something so visceral about a wine that can transport me from wherever I am to a memory of being in a baseball park and the smell of ball park nachos piled high with jalapeños. It is the nostalgic feeling of being 10-years-old with my mom, dad and sister at an A's game, and cheering for Jose Canseco and Ricky Henderson. Every time I smell Cabernet Franc I am transported. I can't get enough of this damn sexy smell. This uber savory wine smells like nachos piled high with jalapeños, cheese pizza with black olives, and green bell peppers with notes of cranberry, blueberry, and sage. I hope you love this wine as much as I do.
