### VINEYARD NOTES

This unique Sauvignon Blanc comes from Sandy Bend Vineyard in Lake County. Having achieved California Certified Sustainable Winegrowing status in 2013, Sand Bend Vineyard continues its long-standing dedication to sustainability, quality and practical value-based farming. The vineyard, found in the Upper Lake area of Lake County is an idyllic setting. It's sandy loam, alluvial soils are rich yet well-drained and provide the perfect growing location for Sauvignon Blanc, Muscat Canelli and Sauvignon Musque. Cooling breezes from the west, which often manifest in Upper Lake in the mid-afternoon assist in facilitating excellent growing conditions.

### Winemaker Comments

This is the finest vintage of Sauvignon Blanc that we have made from this awesome vineyard. I picked a bit earlier in 2017, and all the flavor profiles fell into place. Lake County is growing some of the best Sauvignon Blanc in the great state of California. The Sauvignon Blanc, Sauvignon Musque and Muscat Canelli are a finely tuned trio, each contributing important parts to this flavor profile. Peach, pear, guava, and honeysuckle guide the aromatics followed by flavors of pineapple, boxwood, kiwi, passion fruit, and a lengthy pink grapefruit finish.
